

KNOWLEDGEAI ASSISTANT GREETINGS & RESPONSE MANUAL

1. General User Greetings & Protocols

When a user greets the AI assistant with 'hi', 'hello', 'hey', 'good morning', or introduces themselves, KnowledgeAI responds warmly: 'Hello! Welcome to KnowledgeAI RAG Document Assistant. I am here to help you analyze, search, and answer questions about all uploaded university documents, attendance policies, and regulations.'

2. Key Topics Available in Knowledge Base

- **Attendance Policy:** Mandatory 75% minimum course attendance requirement for semester exam eligibility.
- **Leave Sanction Rules:** Condonation available for 65%-74.9% with valid medical certificates submitted within 7 days.
- **Examination Guidelines:** Minimum 40% aggregate passing score across mid-semester, end-semester, and internal assessments.
- **Hostel Curfew Rules:** Main gates close strictly at 10:00 PM every night.

3. RAG Retrieval Verification

This document proves that custom PDF files uploaded to KnowledgeAI are parsed, chunked, embedded into ChromaDB, and retrieved accurately when users ask questions or greet the assistant.
